

KRSL Russell Radio Election 2022 Candidate Questionnaire

1. What is your name and what position are you running for?

My name is Troy L. Waymaster and I am running for re-election for State Representative for the 109th Kansas House District.

2. Talk briefly about your work experience; public service and private sector.

I am currently the State Representative for the 109th Kansas House District and the Chairman of the House Appropriations Committee. I currently work on our family farm with my father and uncle in Russell County. After I graduated from college, I worked in corporate finance and banking, where I was the Branch Manager of the UMB Bank in Russell, Luray, and Hudson. I was involved with the Russell Area Chamber of Commerce as a board member and treasurer and I was also a two time president for the Russell Main Street Organization. I currently am a member of ISIS Shrine Club of Russell, Russell Masonic Lodge #177, Russell Rotary Club, life member of VFW Post #6240 Auxiliary, Russell Elks Lodge member, advisory board member for the Russell Main Street Organization, and a board member for the Friends of Cedar Crest.

3. Why are you running for this position?

I am running for re-election for the 109th Kansas House District to be a strong rural advocate for the constituents of the 109th Kansas House District. Rural economic development has always been a strong focus of mine and that is evident with my experience in the Kansas Legislature. As the budget chairman for the Kansas House of Representatives, I strive for a balanced and solvent budget for the state of Kansas.

4. What goals or ideas do you have that you would work toward if elected?

My main goals if I am re-elected will be the same focus that I have had while serving in the Kansas Legislature. We need to ensure that we have a balanced and solvent state budget, reduce the tax burden on the residents of Kansas, which I have a record of doing, advocate for rural economic development, support policies that will grow the overall Kansas economy, and be a champion for agriculture and the oil and gas industries.

5. Anything else about yourself you would like to mention?

It has been a distinct honor representing the constituents of the 109th Kansas House District and I will continue to advocate for rural Kansas and our way of life. I have always justified my votes in the Kansas House of Representatives by first how will the legislation impact the residents of the 109th Kansas House District, then my personal beliefs, and then how will it benefit the state of Kansas as a whole. I would appreciate your vote on August 2nd to continue this service to the 109th Kansas House District.
